

## *-Facials-*

### **European Facial \$25 (75 min)**

A relaxing, nourishing, and revitalizing treatment. The European Facial includes cleaning, analyzing, exfoliating, steaming, moisturizing, and massaging the skin. Electrical equipment and specialty masks are used as needed. Serums, additives, and extractions are also included to improve the skin's texture, tone and appearance.

### **Acne Clearing Facial \$35(75 min)**

It's the end of the line for Adult acne. Includes deep cleansing, exfoliation, extraction, acupressure, mask, toning, and with the added benefit of high frequency and galvanic therapy to heal and sterilize the skin.

### **Age Smart Facial \$40 (90 min)**

This anti-aging facial promises to minimize and even erase, the manifestations of skin aging, such as wrinkles. An intelligent investment in your future skin. Includes deep cleansing, massage, double masks, special eye treatment, toning, and moisturizer.

### **European Back Facial \$25 (50 min)**

Includes a deep cleansing, exfoliation, massage, mask, toning, and moisturizer all applied to the back.

## *-Series Specials-*

Buy 4 Facials in a series and get 1 free

## *Specialty Treatments*

### **-Contour Mask- \$10**

Can be added on to the European Facial to reduce inflammation and promote absorption of beneficial serums and activators.

### **-Multivitamin Power Exfoliant- \$10**

A peel that can be added on to the European Facial to improve elasticity, stimulate collagen synthesis and retexture the skin.

### **-Hot Stone Therapy- \$10**

The stone massage has become increasingly popular and can be added on with the BackFacial. The Basalt stones alleviates stress while creating an overwhelming aura of wellness and relaxation.

### **-Exfoliant Accelerator 35- \$ 10**

Helps stimulate cell renewal and smooth skin while improving texture and tone. Add to any facial service.

## *-Waxing-*

Waxing can be beneficial to the skin because it exfoliates the skin as the hair is removed. With regular waxing, hair typically grows back thinner and less dense. Waxing is not recommended for clients using Retin-A or Accutane.
